Worries of the heart, questions about absent loved ones, erring husbands, and sweethearts of lost or missing relatives will all be answered by these wishes. The question can be whispered to the handsome prince as he walks about the stage, and immediately the princess from her seat on the stage, will repeat the question and give the answer.

That Prince Jewah has uncanny physical power cannot be questioned. The absolute accuracy of his answers, whether they concern the past, the present or future. ### PACKED HOUSE HEAR DEVEREUX PLAYERS AT EMPIRE THEATRE

With what genuine pleasure and apparent to not awe "Sho Stoops to Conquer" when offered so cleverly and well by the Devereux play company which greeted every corner of the theatre when they came after time, and in the time classical comedy never more enjoyed than by the packed house last night. The company has been before the public for six or more years, but it would be hard to find a more successful and well-liked group of actors. The players have exceptional histrionic ability and an artistic sense of the play. They are dependent upon themselves and not upon any artificial aid of stage machinery. The traditional setting of the play was used throughout, which detracted not a fraction from the play, but rather added to the characters, and the wealth of literary material.

An interesting and amusing feature of the evening's programme was student's night from the Victoria Theatre. The student body of the Victoria Theatre, which has been a success for several years, was again a popular success. ### THE PEELLESS TRIO, a Feature of This Week's Pantages Vendettill Bill

When her deception threatens to shatter her own building romance with the supposedly dead husband, the alleged "widow" is over-joyed. But a delightful surprise is in store for her. The "widow" is Miss Clara's leading man, and a most laugh-provoking comedy of the rollicking type for which the little star is famous.

"Widow by Proxy" does not complete the program, for in addition there is a Chester Outing picture and a most laugh-provoking comedy of the rollicking type for which the little star is famous.

MONARCH-Because of her marvelous interpretation of the role of "Dorothy Harkin" in "Queen of the Sea", which will be the attraction at the Monarch theatre for the last time today, Miss Clara's leading man, and a most laugh-provoking comedy of the rollicking type for which the little star is famous.

ALLEN-Alfred Swinburn, poet laureate of England, wrote the life of Victor Hugo for the Empire theatre. The play is a most dramatic and stirring story of the life of the great French writer and statesman.

MONARCH-How do you like to talk? Well, then what would you think of a woman who would not only talk but also act? This is the story of a woman who was not only a talker but also an actor.

EMPIRE-The delightful Miss Peggy Hyland, the William Fox attraction, will be the feature of the evening at the Empire theatre. The play is a most dramatic and stirring story of the life of the great French writer and statesman.

the murder charge lodged against him

at two men he dreamed he had seen

authorities are inclined to believe his  
story.

## BOARD OF TRADE HEARS ADDRESS ON EXCHANGE

C. H. Hartney, Manager Edmon-  
ton Branch of Union Bank,  
Is Speaker

## EXPORTS WILL REMEDY

Report of Council of Board Makes  
a Number of Recommen-  
dations

With Acting Secretary A. M. Frith  
advocating the inauguration of a  
membership campaign that would re-  
sult in a thousand Board of Trade  
members in 1920, with a full de-  
scription of the report of the com-  
mission appointed to deal with the  
feasibility of the collection of funds  
for charitable work and with an ad-  
dress on foreign exchange matters  
given by C. H. Hartney, manager of  
the Union Bank, the Board of Trade  
conducted a lengthy meeting Tuesday  
evening.

Mr. Frith is strong for a thousand  
members in Edmonton's trade body.  
Membership must be had if financial  
strength is to be attained. Less than  
three hundred members strong at  
present time, Mr. Frith emphatically  
declared. The Board of Trade had  
been financially starved  
for the past few years. He was to  
have members if we are to have  
necessity and I advocate that every  
member takes the duty upon himself  
seeing that he introduces his  
friends to the ranks of the board. Let  
us do every business man a good  
turn by the Edmonton Board of  
Trade.

The suggestion also came from a  
member at the meeting that the  
Board of Trade use its efforts toward  
constructing an automobile road from  
Edmonton to Vancouver. He thought  
this would result in a great trade de-  
velopment to Edmonton and the dis-  
trict, and would mean an increase  
in the popularity of Jasper Park. The  
proposition received considerable  
attention from board members.

In addition to the above, F. T.  
Parker gave a report relative to the  
advertising value that had been  
secured by Edmonton as a result of  
the city's work in retreating the  
two hundred odd United States jour-  
nals who voted this city as the  
most "live" city in the world in  
August. He figured that as a result  
of this 3,500 inches of space dealing  
with Edmonton had appeared in  
United States journals. Ordinarily,  
this space could not be bought, but  
let us take its value at \$100 per inch,  
which is the lowest price at which it  
could possibly be obtained. Here  
alone we are returned \$350,000 for the  
\$1,000 expended," said Mr. Parker.

Explanations concerning rates of  
exchange were given members by  
C. H. Hartney, local manager of the  
Union Bank of Canada, the sub-  
ject dealt with being "The Present  
Condition of Foreign Exchange."  
Mr. Hartney explained that foreign  
exchange amounted the methods of  
settling the amounts owed between  
countries, and he briefly showed what  
an abnormal state these adjustments  
were in today, also how difficult it  
was to trade between nations under  
these conditions.

One of the most interesting features  
revealed came as a result of the  
measures adopted by the British gov-  
ernment to stabilize its exchange dur-  
ing the war, and Mr. Hartney declared  
that it was on the success of these  
measures the result of the war de-  
pendent.

When war ceased to exist and  
peace was attained, the British gov-  
ernment ceased to support the ex-  
change process, with the result that  
the pound sterling value is now only  
worth \$4.75 in Canada and \$4.75 in  
the United States.

The British mark, worth before  
the war, 25.42 cents is now worth less  
than 3 cents.  
Mr. Hartney also explained that the  
country in which the exchange was  
the lowest would greatly increase  
its exports and he is sure that this  
provided relief to the United States,  
and he thought it would be a great  
advantage to the United States in  
the future, in the course of a few  
years, he believed to normal.

Report of Council  
The following is the report of the  
Board of Trade as submitted and  
adopted by the meeting.  
The report of the council has  
been held since the last report was  
submitted.

A report was received from the  
chairman of the Civic Interest Com-  
mission relative to the Water Question  
for Military and Police Purposes. The  
report stated that the Mayor had been  
advised by Hon. Mr. Howell that the  
matter had been referred to the su-  
perintendent of the R.N.W.M.P. at  
Regina. The report was received and

find pending receipt of further infor-  
mation.  
Vacancies on Council: To fill the  
vacancies on the council caused by  
the resignation of J. A. Thompson as  
chairman of the transportation com-  
mittee, and the resignation of J. A. Thompson  
as chairman of the retail section, your  
council has appointed J. P. Phillips  
chairman of the transportation com-  
mittee and J. A. Thompson chairman  
of the retail section.

Annual Election: A committee was  
appointed to bring in a report to the  
council on a new plan for the elec-  
tion of the council, and information  
as to the necessary changes in the  
constitution, if the plan submitted, is  
found acceptable.

Acting secretary: Your council can-  
sider it advisable that, subject to the  
approval of the full board, the ser-  
vice of the acting secretary be re-  
tained until March 21st, 1920, in or-  
der that sufficient time be given for  
the consideration of applications for  
the position of secretary to the board  
by the new council.

The acting secretary needed, in the  
meantime, to organize a campaign  
for 1920.

Applications for Secretarieship: The  
acting president was instructed to ap-  
point a committee to secure applica-  
tions for the position of secretary, and  
submit all applications received to the  
new council.

Reports were received from a com-  
mittee on "Consolidation of all Efforts  
for Collection of Funds for Charitable  
Purposes," and on "The  
Availability of Ample Funds for  
Committee to Sanction the Collection of  
Funds from the Public. These re-  
ports will be submitted for your ap-  
proval.

**City Police Court**  
Dennis La Force, in the city police  
court, was fined \$10 for driving  
guilty to the charge of a breach of  
the peace, and \$10 for driving  
\$10 and more. A further charge of  
driving was also made. He was with-  
drawn by the prosecution.

John Macle, for a Kennedy and  
Joseph Gaudier were fined the sum  
of \$100 each for driving a motor car  
without a license.

Donald Mackenzie was fined \$10  
and costs, or in default of pay-  
ment was committed to jail.

## Chicken Bones à la Neilson

HAVE you ever eaten chicken bones? No! Not  
the bones of a bird, but a chocolate coated mixture  
of chopped figs, cream and sugar.

They taste delicious, so let us tell you how we make  
them.

We buy rich, juicy figs from Smyrna, cane sugar  
from Jamaica, cream direct from the farm, and blend all  
three into a delicious confection.

The figs are minced, the sugar and cream is made  
into a paste, and then the figs are rolled in the paste  
until a complete mixture is formed. This is rolled to  
the diameter of a pencil.

The figs are in the middle. The paste is then cut  
into two-inch lengths. Each contains its portion of figs.  
From there the "chicken bone" goes to the dipping  
room, where it receives a coating of very smooth and  
delicately flavored chocolate, and so on into the box.

Next time you Buy a Box of Neilson's, watch  
out for the "Chicken Bones."
